No Objection Certificate Regarding to Health

As per application dated 12/01/2016 by Shri A.B. Patil English School C.S. No.404/1 R.S. No./ Plot No. Dhamani Road - Kolhapur Road, Div. Sangli hereby the certificate.

On 14/01/2016 the Sanitary Inspector Yakub Madrasi inspected and found that A.B. Patil English School Div. Sangli has built European Western Commode Toilet and the water of Toilet and Bathroom is percolated in soak pit. It is attached to drainage. This building consists of 9 W.C.s, 15 bathrooms & toilets. The soak pit is of 10'x6'x7' in size & septic tanks is of 3'x 8' x 4' in size. Ventilation system is also arranged. Toilet bathroom, soak pit & septic tank are constructed well as per healthiness. The septic tank & soak-pit is to be cleaned every six months & the proper care should be taken that no over flown sludge water from soak pit & septic tank is flown in public place or private plot. The building completion certificate is issued subject to above rules.
